PowerChef® Table Top Electric Grill

PBQ-120-METRO

This new, unique table top grill delivers full size power in a compact, go-anywhere design. Dual elements spread searing heat from corner to corner and the convenient one-touch control makes it easy to operate.

- Durable, weatherproof matte black finish
- Large removable drip tray for easy cleaning.

Simple, precise manual control

Dual Element Cooking System

- Large enough to cook for six people.
- Cooks as much as a grill twice its size because every square inch performs with the same power and no cold spots.
- EvenSear Dual Element Cooking System:
 - The entire 216 sq. in. grilling surface reaches 650° F searing temperature
 - The lower cooking element simultaneously provides precise, even heat.
- Manual control allows for simple and precise cooking.
- 120 Volts / 1,600 Watts / 13.3 Amps
